MANY INTERVIEWED

Swarms of Humanity at Cooper's St. Louis Headquarters

ST. LOUIS, Oct. 10th, 1906. In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of The Globe-Democrat spent yesterday afternoon at the young man's headquarters, watching the swarm of humanity come and go.

During the afternoon the reporter interviewed many of the callers and obtained statements from all who cared to give them as to their experiences with Cooper and his preparations.

The following are selected from those statements as being typical of the general expression of the people seen:

Mr. W. T. Bray, living at 1120 Angelic street, when interviewed, said: "I had suffered for years with stomach, liver and kidney trouble, seven years, in fact. I had tried many remedies, but obtained no help from any medicine I took. I bought one bottle of the New Discovery medicine and one of the Quick Relief. After using them one week, I felt so wonderfully improved I can hardly believe it possible. I am very grateful to Mr. Cooper. He has a wonderful medicine."

Another caller was Mrs. Clara Yobe, living at 1610 Locust street. She said: "I had suffered with stomach trouble for several years. I was so bad the last year I could not eat anything at all. I could not digest my food and had severe pain in my stomach most of the time. I did not sleep well and had severe headaches at times. I have tried many remedies, and have been to a number of physicians. I bought some of this man Cooper's preparations. I feel greatly benefited and have gained steadily in flesh since using the medicines. I have not a trace of stomach trouble left, and have come here to thank Mr. Cooper."

Mr. C. A. Taylor of 4220 Finney avenue said: "I have been suffering with severe stomach trouble for several years and owing to the nervous conditions caused by this trouble I could not sleep. The only relief I obtained was when up and walking around. I tried everything heard of for stomach trouble, but nothing gave me any relief. I heard so much of this man Cooper, that I decided to try his medicine. I have used several bottles and noticed a decided improvement almost immediately. I am now entirely cured, and feel happier than I have for several years."

Mr. John Schenk, of 2111 N. 12th street, when questioned, said: "I have had eight years of suffering and sleepless nights on account of stomach trouble and headaches. I have used one bottle of Cooper's preparation, and now rest every night. I have not a trace of stomach trouble left and have been immensely benefited every way."

Mr. S. P. Hitchens, living at 2145 Franklin avenue, made the following statement: "I have suffered with rheumatism for 30 years. I was stiff in all my joints so that I could hardly use them. I have tried Cooper's remedy and have come here to thank him and purchase more, as I can now handle myself perfectly after using the preparations one week. I feel better than I have for years."

Amelia Leonard, living at 1530 Salisbury street, said: "I have suffered for the past ten years with stomach trouble, headaches, dizziness and kidney trouble. I have been treated by a number of physicians and have used all kinds of medicine. Nothing did me any good. My appetite was very irregular and my back pained me greatly. In fact my life was a misery to me all the time. I suffered with nervousness and loss of sleep. I have used two bottles of the New Discovery medicine. This morning an immense tapeworm passed from my system. This has undoubtedly been the cause of all my sufferings, and I am very grateful to this man who has relieved me."

In spite of assertions made by various physicians that Cooper is a fad, who will soon die out, the young man seems to be gaining even greater headway as his visit draws to a close. It is estimated that four thousand people called on him yesterday.

DECIDE YOURSELF.

The Opportunity Is Here, Backed By Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement.

Read the statements of Maysville citizens and decide for yourself.

Here is one case of it:

Mrs. Mary Thomas, wife of J. A. Thomas, of 204 Limestone street, Maysville, Ky., says:

"I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name-Doan's-and take as substitute.
